Message from the Executive Director and Board President

We are thrilled to present to you our 2015 Impact Report, marking our 45th anniversary as the oldest continually operating LGBTQ center in the country. This is a snap shot of the tremendous work that the Pride Center staff, Board of Directors and volunteers have achieved in providing empowering programs and services to the LGBTQ and allied communities of the Capital Region.

2015 was marked with much transition for the Pride Center of the Capital Region with many new Board members, a new Board President Patricia Wood, and a new Executive Director & CEO Michael Weidrich. But through change, we grow stronger and better to meet and exceed the needs of our community!

Be well and be empowered!
